“Reframing Dementia: Inclusive Communities” One-Day Workshop

Teepa Snow, one of the world’s leading advocates and educators for individuals living with dementia and care partners, is coming to Massachusetts to conduct a one-day Workshop. The Workshop will build valuable

skills and knowledge for those just starting their journey of supporting individuals living with dementia as well as those with experience.

June 12, 2018

Winslow Academic Center, Lasell Village, Auburndale, MA

9:00 – 4:00 pm

Workshop registration fee - \$75/person
25% discount (\$56/person) for 4 or more registrants from
the same organization

CEUs available for nurses and social workers – additional \$25/person

To register - <http://teepasnow.com/events/creating-an-inclusive-community-by-reframing-dementia-brain-change/>
