

FAQs

Why is the grant lower this year?

The grant amount is a bit lower this year because most sites didn't spend the full amount last year, and this way we can extend the offer to more sites.

Can I apply even if I got the grant last year?

Yes! You may apply again, though preference is given to new sites and sites with walking clubs.

Can I apply even if I don't have a walking club?

Absolutely! We encourage all COAs to participate.

What can I use the grant on?

You can use it for a band or DJ, t-shirts, snacks and water, pedometers, give-aways, transportation to and from a walking site, and more. If you have a specific purchase not listed here, ask Lynn.

Do I have to order Go4Life materials?

No, but they have some great materials that make terrific handouts, and they're FREE. Just go to their website to order, and allow 4-6 weeks for delivery.

Does my walk have to be in September?

It is preferable as September is Go4Life month. If you can't accommodate a walk in September, but still want to have a walk, contact Lynn.

If you have a question not listed, ask Lynn: lynn@mcoaonline.com or 413-527-6425.
