

Call for Presentations

The MCOA conference will be an in person gathering this year!

MCOA (Mass. Councils on Aging) is seeking workshop presenters for the Fall Conference as well as other training opportunities held throughout the year. Our theme for this year's Fall Conference is "Where Do We Grow From Here?" and we seek presenters who can share their Best Practices, Cutting Edge Programs, Innovative ideas and more with our members. More than 80+ workshops are showcased over the three-day period. This event will be held October 19 – 21, 2022 at Sea Crest Beach Hotel and Conference Center located in Falmouth.

In past years, this conference has brought together hundreds of professionals from within and outside of Massachusetts and this year will be no different! Attendees include COA and Senior Center directors, staff and board members, government employees, elected officials, community-based providers and others. It is a showcase of trainings, workshops and vendors that capture the excitement of the field of Aging!

MCOA is accepting proposals within this call for presentations for learning opportunities throughout FY23. As we emerge from the pandemic, we are expecting to offer training both in person and virtually. We are the Membership Association of the 350 Municipal Councils on Aging and Senior Centers and we have many events planned throughout the year. From our Annual Fall Conference to Quarterly Membership Meetings and trainings for Working Groups focusing on COA staff and directors managing Outreach, Volunteer Recruitment, Supportive Day, Activities/Programming, and Wellness, we provide a plethora of opportunities to learn and share. We invite you to share your expertise with our network! Follow the instructions below and your proposal will be considered for all the training opportunities throughout FY23.

Who should submit a proposal?

Professionals and advocates working at the local, state, and national levels are encouraged to present. Conference attendees include Senior Center Staff, Directors and Board Members, Community-based organizations, government agencies, national coalitions and associations, as well as for profit organizations.

The proposal information and application is on our website

www.mcoaonline.com

Deadline: 6/1/2022

Massachusetts Councils On Aging
