Annual Meeting 2021

June 23, 2021

**Massachusetts
Councils On Aging**

The 2021 Annual was held virtually on June 23, 2021, due to COVID-19. We invite you to view the Annual Meeting [here](#).

The past year and a half has been very trying but there have been many great successes that have come out of the collaborations across this amazing network. We have seen tremendous changes over the last year but one thing that remains is the unwavering dedication and commitment of this organization to making a difference in the lives of older adults across the Commonwealth.

We have transformed, evolved and adapted our network in ways we could never have dreamed of.

Thank you all, for finding the energy to get up each morning and cope with the unthinkable, and thank you to the board and advisory council for their leadership in providing direction to the network during this crisis.

Sincerely,

**Rebecca Moriarty
MCOA President, & Director, Hampden COA**
