Special Information: Dataset includes 'Total statewide 60 y/o & above single households'. This is aggregated total that includes values that were suppressed. Aggregated SNAP Household counts below 12 were suppressed and coded as "Suppressed_Statewide" counts in the data to protect privacy. The suppressed counts were included in the overall total. Any instance where "**Blank**" appear as a value for aggregated counts for city/town suggest suppressed values and those values were included in the Suppressed_Statewide counts.
